

NAATS HQ E-Mail Update
March 22, 2006

Quick update on the FAA corrected W-2s. Spoke to the woman in OKC last night and she has about 20 amended W-2s she was finishing up and putting in the mail. If you have not received your corrected W-2 and need it by week's end send me an email and I'll give you her contact information. She can fax it to you, if you are there at the fax machine to get it she does not want to just fax it where it maybe sitting around.

If you paid back your sick leave in its entirety and are due a refund, she advised that should be paid out this week as well.

The corrected W-2 will not show state taxes were paid, evidently by the time they got around to correcting them the computers would no longer take that information. What they have done is included what you had paid in state tax into the federal tax section, I have no idea how that works out.

If you are due a corrected W-2 and have not done anything about it yet, please let me know ASAP. Due to those folks being shifted around, we may lose our contact there in a week or so. If you have any questions/problems send me an email at naatspres@aol.com I'll do the best I can to help you.
