**July 6, 2005**

One of our Union Brothers Wendall Allen from Macon AFSS passed away this past Saturday night while on duty. My sympathy and prayers go out to his wife Jackie and their two children. Jackie also works at Macon AFSS as a supervisor and I know what ever help she may need to get through this terrible time in her life our bargaining unit members will be there to support her. I will also ask the details of the services be posted for those able to attend.
