

## **NAATS HQ E-Mail Update Vol. 5 #55**

### **August 24, 2005**

Senators Chuck Grassley and Tom Coburn sent the FAA Administrator a letter this past week on the FAA's contracting practices. It does not speak to the LM contract award, but would be a good letter to make sure your Senator has received. The link to the letter is below, thanks to Dorey and Joe for the heads up.

The response from the FAA on the FOIA submitted for the Pre-D information is finally in the hands of the FAA FOIA people waiting approval. Should have by October 3<sup>rd</sup>.

The OPM letter looking for clarification/information on the retirement 1.7% issue has been received and the draft response should be out soon according to Director Springer's office.

Spoke to the NLRB yesterday about the ULP, the gentleman called mainly to introduce himself and give me his phone number.

EEOC age discrimination case – we have received the response from the other side and I have sent it out to Directors and Regcos. I haven't gotten through it all yet, it's 144 pages without exhibits. Another reminder to let your Director know if you're coming on September 1<sup>st</sup>, the more the merrier.

Congressional-Wally will have an update out this week.
