

NAATS HQ E-Mail Update Vol. 5 #44
July 13, 2005

Just a quick update, the Senate Sub-Committee has been delayed until July 19th which will give us more time to talk to members about the myths being spread. I am waiting for our legislative people to put the finishing touches on a position paper on those myths. That will hopefully be complete by this afternoon, I'll have it posted for you use as soon as it's final.

Still nothing on the Administrator's decision, hang in there I know it's been a long haul. I just hope she realizes that and doesn't take too much longer.
